

McAuley College, Beaudesert

UNIFORM POLICY

The McAuley College Uniform was developed initially in 2016 by the College Steering Committee, and subsequently reviewed in October 2019 by the College Uniform Development Committee. The latter was done with reference to the principles outlined in the Brisbane Catholic Education School Uniform Policy; and in consultation with parents, staff and students.

McAuley College sets high expectations for all students with regards to the wearing of the College uniform. The school uniform increases a sense of belonging and engagement, promotes health and safety and encourages respect of self, others and community.

Students are expected to wear the formal uniform when attending school, traveling to and from school and on special occasions. Neatness, tidiness and cleanliness of the uniform are essential, and no variations are acceptable. Any attire worn under the uniform must not be visible.

Students wear their Sports Uniform every Thursday to and from school to coincide with our Sports Program. Otherwise, students are required to change into their Sports Uniform for HPE lessons.
