

STRATEGIC PLAN

2023-2027

BELIEVE

CATHOLIC IDENTITY

Promote opportunities for **prayer** and **action** through our Catholic Identity and Mercy Charism to develop every person's sense of belonging and continued **faith formation**.

Embed **Catholic Perspectives** across the curriculum, particularly within the Religious Education Program, to shape citizens who are **active contributors** to the world in which we live.

Build explicit links between our **Catholic faith** and **Mercy Charism**, the flourishing goal of PERMAH, and our **quest for Visible Wellbeing**.

LEARN

LEARNING AND TEACHING

Establish McAuley College as a place to flourish.... a leader in **Positive Education and Visible Wellbeing**, promoting these priorities through embedding the **McAuley College Learning Framework**.

Build the **capacity of our teachers** as a Professional Learning community and promote **agency** for staff, students, and parents as they work to enhance learning outcomes for all.

Promote **student voice** and an aspirational direction for 2030++ that **personalises learning opportunities** for all students, building a **culture of excellence** through **inquiry and innovation**.

SERVE

WELLBEING, OUR PEOPLE, AND DIVERSITY AND INCLUSION

Promote **belonging, participation, and engagement** by expanding co-curricular activities to further **celebrate diversity and foster ecological responsibility**.

Deliver the next **stages of the College Masterplan** whilst maintaining a safe and supportive working environment that has a focus on wellbeing.
