If a staff member sees or hears about a student protection concern the staff member must:

Take immediate protective action if the student is at immediate risk of harm from themselves or others; for example, administer first aid or contact emergency services if required [police or ambulance].

Contact one of the school's Student Protection Contacts (SPC) and explain what has been seen and/or heard and what actions have been taken so far. Be mindful of confidentiality and respecting the privacy of the student and others.

The staff member should speak with one of the SPC team regarding the concern (see below):

| • Ashleigh Beattie-Dugdale | Assistant Principal Administration |
| • Kym Houston | Guidance Counsellor |
