

Vision

The Vision of the College from its inception was to provide an ongoing Catholic Education for students of the Scenic Rim with a rural heritage valuing creative, contemporary and innovative learning, through quality teaching, in an environment of engagement and partnership with the local community.

Mission

McAuley College is a welcoming community shaped by our touchstones of **BELIEVE LEARN and SERVE.**

Values

BELIEVE - A community built on faith.

LEARN - A community committed to delivering learning that is contemporary and innovative.

SERVE - A community inspired by the example of Jesus and Catherine McAuley to be of service to others; committed to Social Justice and our local and global community.

Priorities

Catholic identity

Goal – Deepen and strengthen our Mercy connections, through possible Mercy Associations and Staff Immersion Program.

- College Theme 2022
- Seek membership of relevant Mercy Association.
- Plan a Mercy Immersion Program and engage our inaugural group of staff.

Learning and teaching

Goal – Build and embed a vision for the 'Teaching of Mathematics' at McAuley College with a focus across Years 7 to 9.

- Identify clear priorities to be planned and led by the Curriculum Leader – Mathematics and Numeracy.
- Use feedback from Maths Project 2021 to guide a consistent and common way of "Teaching Mathematics". Focus on Year 7 (maybe Year 8), embedding measures to monitor growth of students.
- Engage parents

Wellbeing, Our People...

Goal – Continue to embed and refine processes that support the induction and formation of staff, students and parents, that create a welcoming and inclusive College environment.

- New Staff Induction Program
- Reconciliation Action Plan
- Celebrations to mark end of Year 12
- Develop and implement Personal Development Program across Years 7 to 12.
- Embed stronger Tier 2 & Tier 3 responses.
- Improve attendance, with greater consistency of communication between home and school.
- Launch Parent Community Engagement Group

Overall Goal

Goal – Our goal for 2022 is to consolidate our practices, as we achieve the vision of a secondary school, Years 7 to 12. This links directly to our theme for 2022, "To be good today, but better tomorrow."

- Embed the College Theme 2022
- Engage in a range of reviews and audits including NSIT, NSSAB, RE Validation, Masterplanning, etc.
- Sharp focus on Scope and Sequence, Unit Plans, TLAPS, Learning and Teaching Overviews for every subject across each year level.
- Consolidate our moderation processes and expectations.
- Maintain a strong focus on expected and effective practices, High Yield Strategies, Tier One Classroom Practices and expectations.
- Engage in the review of the Australian Curriculum and map out a plan for implementation.
- What is our point of difference? Continue to work on our excellence focus.

Our People

Goal – A future focus to ensure sustainability around the specific areas of enrolments and building program.

- Approaches to marketing achieving increased future enrolments
- Commence next stage of building.
