

## Vision

The Vision of the College from its inception was to provide an ongoing Catholic Education for students of the Scenic Rim with a rural heritage valuing creative, contemporary, and innovative learning, through quality teaching, in an environment of engagement and partnership with the local community.

## Mission

McAuley College is a welcoming community shaped by our touchstones of **BELIEVE LEARN and SERVE.**

## Values

**BELIEVE** - A community built on faith.

**LEARN** - A community committed to delivering learning that is contemporary and innovative.

**SERVE** - A community inspired by the example of Jesus and Catherine McAuley to be of service to others; committed to Social Justice and our local and global community.

## Priorities

### Catholic identity

**Goal** – Review our College Vision and Mission statement.

### Learning and teaching

**Goal** - To develop a way of teaching Mathematics at McAuley College in Years 7 & 8, that realises improved learning outcomes for students and a growth in confidence and collaborative practices amongst the teachers.

### Learning and Teaching and Wellbeing

**Goal** – Develop the McAuley College pedagogical framework that includes all aspects of College life, and is aligned with "Positive Education and Visible Wellbeing".

## Key Operational Considerations across 2023...

### BELIEVE

- Embed a College Theme 2023
- Strengthen Mercy connections through attendance at the AAMS Conference
- Develop a Reconciliation Action Plan

### LEARN

- Engage in the Australian Curriculum V9 to increase familiarisation.
- Plan for transition to Progressive Reporting and timing of same.

### SERVE

- Deliver Stage 3A and commence future planning for BGA Application.
- Complete Middle Leaders Appraisal Process and subsequent appointments to new triennium.
- Engage in the intent of the *Laudato Si*
- Review our College Response to Bullying, especially in light of Positive Education and Visible Wellbeing
