

McAuley College

Student Dress Code Policy

Purpose

The purpose of the policy is to provide a clear rationale and expectations for the McAuley College Student Dress Code.

Rationale

McAuley College has high expectations and prides itself on having a good reputation in the wider community. Feedback would indicate that our students in uniform and their general presentation play a central role in the reputation of McAuley College to the wider community.

The Student Dress Code clearly explains acceptable dress in relation to clothing worn by students (uniform items) and other aspects of personal presentation.

The Student Dress Code performs several important functions within the overall operation of the school, including: fostering a sense of school community and shared mission; increasing a sense of belonging and engagement; promoting health and safety and encouraging respect in self, others and community.

Expectations

- The Student Dress Codes applies when students are travelling to and from school, attending school and representing the College at a variety of functions or events.
- The Student Dress Code will clearly explain standards of acceptable dress in relation to clothing worn by students, including headwear, footwear, and other aspects of personal presentation.
- As part of the Enrolment Agreement, parents and students agree to uphold the Student Dress Code.
- The College Formal Uniform provides choice for students, being skirts/pants or shorts/pants. Otherwise the College has maintained a traditional approach to both uniform and presentation expectations.
- Any modifications or exemptions must be negotiated as part of the Enrolment Process, and/or form part of a conversation with key personnel at the College for approval by the College Principal.
- As part of our School-wide Positive Behaviour Support Plan, students are encouraged to “Keep it REAL” by showing excellence and acting responsibly in the wearing of the College Uniform and their personal presentation. Appropriate supports will be implemented by the Pastoral Care Teacher and Pastoral Leaders to address any non-compliance. Parents will be informed of these supports. If the issues of non-compliance continue and this is escalated to the College Leadership Team, this may result in the student being asked to remain at home until the matter is addressed.

The policy has been developed with reference to the general principles of subsidiarity, accountability, practicality, affordability, responsiveness and equity, diversity and choice.

History of Policy:

Developed by the Steering Committee in 2016.

Reviewed by the Uniform Development Committee in 2019, with reference to the BCE Uniform Policy 2019.

Final Policy and supporting Student Dress Code reviewed and endorsed by School Consultative Committee 2020.

Updated in October 2021 with feedback from Middle Leaders.

Updated in October 2022

McAuley College Student Dress Code

McAuley College sets high expectations for all students with regards to the wearing of the College uniform and their personal presentation. The School Dress Code fosters a sense of school community and shared mission, increases a sense of belonging and engagement, promotes health and safety and encourages respect of self, others and community.

Students are expected to abide by the Student Dress Code when attending school, traveling to and from school and on special occasions. Neatness, tidiness and cleanliness of the uniform are essential, and no variations are acceptable. Any attire worn under the uniform must not be visible.

Students wear their Sports Uniform every Thursday to and from school to coincide with our Sports Program. Otherwise, students are required to change into their Sports Uniform for HPE lessons.
